HOW TO PAINT IN WATERCOLOR

Discover the art of transparent watercolor in this step-by-step landscape painting course! Each week, you'll master layering techniques—wet-into-wet and wet-on-dry—to bring your scenes to life. Explore value, color intensity, and temperature as you gain control over this vibrant medium and deepen your creative process.

YOUR WEEKLY TOOLKIT FOR SUCCESS:

- Before each class, I'll send you a personalized reference packet with:
 - A photo from my exclusive collection
 - A ready-to-copy pencil sketch
 - My recommended paints, paper, and value guide
 - Clear goals for our live Zoom paint-along

AFTER EACH ZOOM SESSION:

- Step-by-step photos of my process
- Lifetime access to recordings on my YouTube channel—revisit anytime!
- Personalized Zoom critiques to refine your skills
- BONUS: When I find it beneficial, I will record an additional video after class in my studio. This will showcase the process of taking the initial demonstration to a finished studio painting, offering valuable insights into my creative process and tips for achieving a polished final piece
